

1) Go to google images and search for any image you like

2) At the address bar paste the following code and press enter:

```
javascript:R=0; x1=.1; y1=.05; x2=.25; y2=.24; x3=1.6; y3=.24; x4=300; y4=200; x5=300; y5=200;
```

3) Enjoy :)

ps/

*I tried that in many websites and it works. Check it out on other websites as well.*
